Dr. B. C. Allen

Seeps / Wetlands 9.

~~Total 5 + 3 = 8~~
 Turnix ocellatus 14990
 14796, 14795
 were the same
 but I had not time to
 stop. In addition to the
 above Mr. W. C. C. borrowed
 a number of the birds from
 my collection to be returned
 to the museum.
 Under the name of the
 Tringa ocellata was
 the same as the above.
 The same bird was
 also seen. It was
 Sericeo shot one, but laid
 it on a bank where a
 native found it during
 his absence.

Guzmania aculeolata 14990

14796, 14795

were the
 for a long
 day. In addition to the
 above the the other borrowed
 a number of the
 of galathea for the collection
 to the other
 which they were

Asiaticus 11/1

The [illegible] [illegible] [illegible]

Little, Charles, Hamilton, Mass.

Seriaco shot one, but laid it on a bank where a native found it during his absence.

or Tucson,

Bull. 5-5-

Benson, Arizona. Sept. 20
1907. Delayed. Housley
wrecked freight train ahead.
Took walks north and
south of the railroad. Saw
Lepus texianus eremicus,
Spermophilus harrisi. - 2.

Neotoma albigularis. - A
great many chip houses
(composed of sticks, roots
cut, stones, cow chips, etc.)
All were around large
Platanus.

Birds. - Beside an irrigation
^{surrounded by willows}
pond, I saw one Solitary
Tuttlar, a pair of *Sayornis*
nigricans, *Vireo swainsoni*,
Sayornis sayi, *Chondestes*,
Song Sparrow (Uttn.). *Spizella*
breweri, and a Marsh Wren.
(*Telmatalodytes*).

Elsewhere were seen:
Turkey Buzzards, Redtailed

Hawks, Sparrow Hawks,
Calamospiza bicolor,
Carpodacus mexicanus frontalis,
Geococcyx californianus,
Dendroica aestiva sonorana.
Poliophtila
Amphispiza bicolor
Spizella breweri
Zonotrichia intermedia
Oroscoptes montanus
Nests of Cactus Wrens - many.
Corvus cryptoleucus
Lanius excubitorides
Colinus ^{richardsoni}
Agelaius ^{young 1/3 grown}
Geothlypis trichas ^{blue}
Aegialitis vocifera.

10. 1. 20
Woodcock - 1 seen
Towhees
Sparrows
Agelaius
Pipit
Sparrows
Spizella breweri
Sparrows
Callipepla squamata
Sparrows
Singing Buzzards

3/4 hour in El Paso.
Buildings all standing
and Fort. Hancock
Large colonies of Prairie
Chickens -

Went to a point east
of ^{near} ~~El~~ ^{El} Paso, Texas and as
far as Ballantyne.

Birds W. Texas. - Buteo borealis
Fulco sparverius. - extremely
abundant

Zenaidura macroura. - do
Chondestes

Agelaius. - Enormous flocks

Fulica americana. - Many
in a pond west of Kay.

Sayornis saya. - One at
Ballantyne Sta.

Agelaius virgatus

Buteo borealis calurus

Cormus cryptoleucus. - Very

abundant at Ballantyne
Several flocks - one of about 200.

Chelidonium horreorum

Sept 22

One station W. of
Hawwood the oak fr. is
luscious. A few miles
east of there the oaks became
clothed with festoons of
Spanish moss.
